TandoStone™ is the **#1 Brand of Composite Stone**. Professionals love the fast and easy install, and its unique **Tando TruGrit™** texture. Our **Stacked Stone** features stones with low heights and random lengths for the appearance of a hand-laid, mortarless dry-stack set which gives it a contemporary, sharp edged finish.

TandoStone Advantage

- Preferred by siding installers
- Same installer can install siding and **TandoStone**
- No mortar or adhesives required
- **Easy one-person installation**
- **Impervious to moisture** making it perfect for ground contact and roofline applications
- Perfect for **single family, multi-family, and commercial applications**
